# THE SYNAXARION

On this day, Great and Holy Saturday, in the Orthodox Church, we celebrate the Burial of the divine Body, and the descent of our Lord and Savior Jesus Christ to hades, through which he restored our kind from corruption and transplanted it to eternal life. that cometh in the Name of the Lord, King of Israel!" The branches of palm trees were a symbol of Christ's victory over Satan and Death. And the meaning of "Hosanna" is, "We pray Thee, save." The donkey's colt, which was still an untamed animal, and impure according to the law, as well as Christ's sitting thereon, symbolize the

former savagery and impurity of the Gentiles; and their subsequent taming and obedience to the holy law of the Gospel.

On Saturday, the high priests and Pharisees gathered together before Pilate and asked him to have Jesus' tomb sealed until the third day; because, as those enemies of God said, "We suspect that His disciples will come and steal His buried body by night, and then proclaim to the people that His resurrection is true, as that deceiver Himself foretold while He was yet alive; and then the last deception shall be worse than the first." After they had said these things to Pilate and received his permission, they went and sealed the tomb, and assigned a watch for security, that is, guards from among the soldiers under the supervision of the high priests (Matt. 27:62-66). While commemorating the entombment of the holy Body of our Lord today, we also celebrate His dread descent with His soul, whereby He destroyed the gates and bars of Hades, and made His light to shine where only darkness had reigned; death was put to death, Hades was stripped of all its captives, our first parents and all the righteous who died from the beginning of time ran to Him Whom they had awaited, and the holy angelic orders glorified God for the restoration of our fallen race.

Wherefore, by Thine ineffable condescension, O Christ our God, have mercy upon us. Amen.
